GAS JOURNAL

Index to Vol. 340

October 1, 1969-December 31, 1969

The General Index for October to December is followed by an extended Classified Index under the following subject headings:

Area Boards ii
Authors ii
Book Reviews ii
Gas Council ii
Editorial Comment ii
I.G.E. ii
Trade Publications ii
Trade Notes ii
Technical Developments ... ii
Personal ii
Obituary iii
Conversion Supplement ... iii
Transmission and Distribution iii
Gas in Industry iv

GENERAL INDEX

A

Acrow offer for Allied Ironfounders allowed to lapse, 12
Algerian gas deal, 169
Algerian l.p.g. storage contract worth £1 mill., 384
American Gas Association announces 1969 editions of Gas Facts and the Gas Data Book, 240
Annual reports—record surplus, 56
Annual Review Number—
Analysis, 115
Digest, 137-140
I.G.E., 125
Industrial relations, 123
Lever, H., ' Gas . . . well embarked on major developments ', 113
Marketing, 122
Ministry of Power report, 124
Publicity, 133
S.B.G.I., 144
Technical progress, 117
Training, 143
W.G.F., 145
W.M.G.B.—largest surplus, 116
Ascot club members design new premises, 169
Australian gas flow report, 287

B

Bell will aid oil, gas divers, 239
Berlin 1 test well drilling, 186
Bridlington survey ships, 168
British Standards Institution action on pressure vessels, 383
British Steel Corporation announces, £250,000 home orders for pipes, 287

C

Circulators made in Britain on show in Paris, 168
Clean Air Conference, Eastbourne, 186
Confederation for the registration of gas installers set up, 382
Consumer Council seeks central gas consultative machinery, 347

D

District heating convention, 236

E

Enfield multi-storey flats installed with gas group heating, 331

F

Fire Protection Association, 245
First aid achievements for gas industry women, 310
First Aid contest headed by Southern and West Midlands, 168

G

Gas for America, 30
Gas for health and hygiene, 30
Gas industry's aims for packaged central heating, 307
Gas Industry Training Board visits Bournemouth, 185
Gas street lamp problem solved by battery, 307
Government sets new financial objectives for Gas, Electricity Councils, 30
Gulf Oil-National Coal Board halts Irish drilling, 330

H

Halfcrown withdrawal, 184
Heating and Ventilating Contractors' Association launches new double guarantee scheme, 222
Home Oil of Canada seeks permit, 288

I

I.C.I. refrigeration storage facility, 218
I.G.U. Council meets in Karachi, 349
In brief, 13
InComTec seminar, 186
Installers code conformity, 166
Institute of Fuel arranges Christmas lecture, 218
Inter-board rescue contest, 168
Iranian trunkline tested successfully, 219
Irish Sea searched for natural gas and oil, 349

K

Kestner unit for Paris, 239

L

L.N.G. conference to be held in Paris, 12
' L.N.G.—safety by design ' film, 13
Long service awards, 385
Looking at service conditions, 381

M

Management company for gas turbines and turbo blowers, 239
Management decision through information conference, 214
Maybole places £½ mill. contract, 30
Medals for gas industry employees, 242
Metering Pumps Ltd., joins Gallaher, 239
Ministry of Technology swallows Ministry of Power in massive reshuffle, 30
Ministry of Technology total energy scheme mooted, 238

N

National Joint Industrial Council issues more pay for gas workers claim, 382
National Joint Industrial Council proposes wage increase for manual workers, 330
New booklet on decimal currency legislation, 16
New E.N.A.P. plant, 31
New regulations under 1968 Clean Air Act are brought into force, 14
Newton Chambers Group opens new foundry training area, 245
New Zealand natural gas developments, 298
North Sea—
Bacton visit by industrialists, 171
' Constellation ' drilling rig sinks, 307
Gas Council signs £36 mill. contract, 306
Interest kindles in North Sea oil project, 12
Norwegian oil strike, 306
Princess Anne visits Amoco 'B', 184
Nu-way companies hold heating symposium, 330

P

Parkinson Cowan boosts exports, 186
Paymaster General reveals safety proposals, 285
Pipeline Industries Guild seventh annual lunch, 186
Potterton aids facelift for an old town, 60
Precision Control Aids receives 100,000 orders, 239
Pressure vessels conference, 169

R

Russian gas likely for West Germany, 12

S

S.B.G.I. autumn luncheon, 242
' Scotland—a new look ', 169
Scottish houses heated by gas warm air, 219
Second international conference and exhibition on L.N.G., 383
Shell signs £650 mill. gas deal with Japan, 12
Slough Trading Estate power station installs £100,000 boiler and turbine control system, 240
Summers, Abbott Birks merger statement, 240
Symposium on radio communications, 13

T

Trade unions urged to decimalise dues, 284

U

Using propane safely, 16

V

Vickers-Zimmer Ltd. signs £434,000 contract, 347

W

Waller launches major expansion programme, 349
Woodall-Duckham signs San Paulo contract, 146
World digest, 11, 27, 320, 346

Y

Yorkshire plant permit, 166

Walter King Ltd., Holborn Hall, 100 Gray's Inn Road, London, W.C.1

CLASSIFIED INDEX

AREA BOARDS

EASTERN

'Best kept works' award, 218
Building exhibition held at Peterborough, 14
Inauguration of new service centre for South Herts. region, 348
Pollution-free transport, 330
Record sendouts, 310
Watford turbines produce power from natural gas, 345
Weekend marketing workshop, 236

NORTH EASTERN

Coke output will cease, 310
Mr. Punch goes natural!, 171
Natural gas turn-in at Ideal-Standard, 31

NORTHERN

Installing computer, 214

NORTH WESTERN

Charges for gas service up, 185
Gas Council Sales Manager tours new shopping precinct at Nelson, Lancs, 31
High-rise flats get new gas heating system, 310
Tariff for commercial users, 310

EAST MIDLANDS

Boots buys natural gas from E. Midlands Board, 382

SCOTTISH

Conversion—Christmas break in survey in Scotland, 349
Galashiels and Earlston surveys, 168

SOUTH EASTERN

Computer services, 209
Increases operative, 185
Industrial breakthrough, 184
Office block at Kingston opened, 170
Orders compression and storage installations, 239

SOUTHERN

Driving awards presented to 127 drivers, 218
Farewell to chairman, 222
Retirement awards, 146
Service chief interviewed on TV, 240

SOUTH WESTERN

Chairman opens new foundry at Willcys of Exeter, 240

WALES

Decimal currency seminars, 185, 217
'High Speed Gas' giant size advertising sign, 238
Marketing objectives, 167

WEST MIDLANDS

C.E.G.B. visit, 166
FRED puts paid to query delays, 210
FRED to revolutionise service to customers, 13
'Head of league' report by Chairman, 238
Pricing reply, 306

NORTH THAMES

Approves mercantile credit loan, 218
Chairman will not seek re-appointment, 333
Customer accounting enquiry system with automatic retrieval, 319
Teachers learn about natural gas, 170

AUTHORS

Astbury, Dr. N. F., 60th report of Joint Refractories Committee, 299
Corper, M., Rapid advance of Dutch natural gas, 181
Counter, T., The role of the Society of British Gas Industries, 28
de Winton, C. J. P., Natural gas flows in from Hewett Field, 51

Wurth, J., 125 years since foundi ng of Hamburg plant, 329

BOOK REVIEWS

Bibliography on pipe welding, 349
Gas came early to Karlsruhe, 10
Metric series flanges and bolting, 186
Tannahill and Son Ltd., sales brochure, 165

GAS COUNCIL

Awards first peak shave natural gas liquefaction plant to BOC-Airco Cryogenic Plant Ltd., 169
Careers publication for graduates, 319
Clean Air Exhibition, 146
Conducts commercial survey, 217
Economic planning—the strategic blueprint for gas, 233
Field trials for natural gas burners, 384
Home Oil-Gas Council agreement, 56
Institute of Housing Managers' conference and exhibition, 222
International Building Exhibition, 240
Irish Sea drilling 'options' for Gas Council and N.C.B., 146
Legislative proposals, 184
Leslie Andrew's farewell party, 290
Paymaster General says legislation will strengthen powers of Gas Council, 287
Permission to build third coastal terminal, 330
Photographic display of swimming pools, 171
Process plant expert committee, 285
Second reading of Gas Bill, 347
Telephone order, 146
The computer as an aid to decision making, 203

EDITORIAL COMMENT

Advertising blockbuster, 24
All together now, 24
Another night, another show, 6
A supreme Gas Council, 160
A third terminal, 318
C.O.M.A. precedents, 202
Communication as an aid to efficiency, 343
